

Mad Mod Layer Cake Swap

use your stash!
every 3 10x10in
squares counts as 1 FQ
on the Stash Busting
Pyramid!

Each participant will provide a TBD amount of 10x10in **quiet low volume fabric** squares to be divided among the rest of the participants.

- Each person will go home with a full 40pc layer cake, so exactly how many squares to submit will depend on the number of participants. More info to follow once sign-ups are complete
- Quiet Low Volumes are fabrics where if you squint the fabric looks white, ivory or cream. No beige, silver, or pastels.

Sign up using the Google Form by October 26 and submit fabric by the December Mad Mod Meeting.

Questions?

Reach out to Casey,
Marian or Tracy
